

Rules of the Contract for Star of the North Exhibit Space

1. What the Rental Fee Includes

The rental fee paid for exhibit space is for the space and a limited furnishings package of 2 chairs, 1 un-skirted table, and a wastebasket and **does not include carpet**, receiving or handling of exhibit material, utilities, or other services. Exhibit space includes back and side drape, a uniform identification sign.

2. Payments, Cancellations and Refunds

Exhibitors must make payment of the exhibit space rental fee according to the schedule and terms described in this contract. Minnesota Dental Association (MDA) may terminate this contract at any time after February 1 in the year of Star of the North (SON) if an Exhibitor has not paid the total fee for space rented. Cancellations and reductions of space made before the priority placement deadline (**November 1, 2020**) will be refunded in full of the fees paid up to that date. After the priority placement deadline, no deposits will be refunded. Refunds for exhibit space will not be given after **February 1, 2021**. If the show is physically sold out (there is no room for expansion) and there is an established waiting list, refunds will be given in its entirety if space is re-rented less 10% of the rental fee paid for that particular space. In the event of a cancellation, exhibitors must contact MDA in writing. Exhibitors who purchased a Promotional Package will not be allowed to cancel their package or receive refund. Exhibitors who purchased four or more booth spaces will not be allowed to cancel or reduce their space to fewer than four booth spaces with any refund.

3. Occupation of Exhibit Space

Exhibitors will occupy their contracted exhibit space during posted show hours. All exhibits must be completed and ready for the show by 10:30 a.m. on Thursday and must remain intact until 1:15 p.m. on Saturday. Exhibitors must be completely torn down and out of the exhibit hall by 7:00 p.m. on Saturday. The subletting of any part of an exhibitor's space is strictly prohibited. Manufacturers' reps applying for exhibit space must submit a list of those companies they will be representing at the time of application. A listing in the program book will be allowed for represented companies however; longevity recognition will only be given to the contracting company. A maximum of two (2) companies may be represented in one 10'x10' booth. Exhibitors shall use only their contracted space for exhibit, display, or related purposes. There will be no interviews, demonstrations, distribution of literature, canvassing or conducting of polls or surveys outside of the exhibitor's own rental space. In the event that an exhibitor fails to set up a booth or occupy their contracted space by the opening of the show, that space will be considered abandoned and no refund will be sent. The Association reserves the right to decide whether to re-sell or re-assign another exhibitor into that space.

4. Relocation

SON reserves the right to relocate any Exhibitor in a space other than that for which the Exhibitor contracted and paid a rental fee, if SON determines it is in the best interest of the Star of the North exhibit hall.

5. Exhibit Material and Activity

Exhibitors are able to distribute and sell merchandise from their rented exhibit space only. Inventory must be discreetly stored within an exhibitor's booth space. Star of the North reserves the right to prevent any Exhibitor from displaying beyond the bounds of the Exhibitor's rented exhibit space: noisy electrical devices, sound-producing movies, displays, devices, costumed mascots or anything which may prove objectionable. Exhibitors must agree to regulate those devices with noise, odor, or other disagreeable features so as to abate reasonable objections to these annoyances. All aisles must be kept clear of displays. The rights and privileges of an exhibitor shall not be infringed upon by any other exhibitor. Lasers must be operated only within a suitable enclosed space with the appropriate eyewear available for any personnel staffing the booth and attendees who will be viewing/operating the laser. Appropriate plastic colored cubicles must also be available for any other type of laser being used, particularly dye or argon lasers. No laser equipment may be left unattended in operable condition. No exhibitor will sponsor a seminar or presentation in the Twin Cities, Anoka, Ramsey, Hennepin, Dakota, and Washington Counties area seven days before the opening of the meeting, during the meeting, or for seven days following the last day of the meeting. All members of commercial exhibitor's staff must be full-time employees of the exhibiting company or must be employed for the duration of the meeting. The Minnesota Dental Association does not guarantee exhibitors against loss and does not take responsibility for theft, pilferage, or mysterious disappearance.

11. Infraction of Rules

Unethical conduct, unprofessional behavior, or infraction of the Contract Rules on the part of the exhibitor and/or his representatives will subject the exhibitor, his representatives, or both to dismissal from the exhibit hall, forfeiture of booth space, booth fee, and/or seniority status in booth assignment. The exhibitor may also be barred from future participation. In this event, it is agreed that no refund shall be made by the Minnesota Dental Association and that no demand for redress will be made by the exhibitor or his representatives. (GES), and the Saint Paul RiverCentre as additional insured. Proof of insurance is due 60 days before exhibitor move-in on Wednesday. Except for negligent acts or omissions on the part of the Minnesota Dental Association or its own employees, the Minnesota Dental Association assumes no liability or responsibility for any damage of any kind whatsoever or any injury of any nature that may happen to exhibitors, or to the exhibitor's employees or property, from any cause whatsoever prior, during, or subsequent to the period covered by the contract for the rental of space, and the Minnesota Dental Association does not assume any liability or responsibility for any act or omission on the part of any exhibitor or anyone in his employ during said period of time, and the exhibitor, on signing the application for space, expressly releases and agrees to hold harmless the Minnesota Dental Association from all claims of any kind for any such alleged loss, damage, or injury to the exhibitor, his employees or property. This shall not affect claims against any other person, firm, corporation, or municipal unit.
