

# KEYNOTE SESSION.

## TEAMWORK: THE POWER OF PARTNERSHIP

*The Keynote will be recorded live and made available on-demand for our virtual audience.*

Many speakers talk about teamwork. Jon and Owen do it. Their success is proven, their talent unique, and nowhere else will you see such an exciting demonstration of the amazing things that can be accomplished when people work together. The Passing Zone is a comedy duo who not only work together — their safety is in each other's hands! Every moment of this presentation is a clear example of collaboration between two people who have prepared, who rely on each other's strengths, who communicate, trust, and have fun cooperating. Their entertaining and inspiring performance uses big laughs, exciting stunts, and flawless teamwork, creating an unforgettable experience — roaring chainsaws, cheering attendees, and knives flying through the air!

Jon Wee and Owen Morse have one of the longest standing partnerships in corporate entertainment, a true demonstration of the "The Power of Partnership." They have appeared on *The Tonight Show*, *The Today Show*, and they were finalists on *America's Got Talent*.
