Real-Time Reporting

The qConnection Brand Inquiry is completely customizable for each exhibiting company. Exhibitors have the ability to develop custom qualifiers, questions and/or tailor survey questions to better suit any sales need.

Customizable

qConnection Brand Inquiry lead retrieval is a user-friendly, innovative lead retrieval solution created specifically for virtual trade shows. The questions/qualifiers can be a combination of Yes or No Questions or Multiple Choice Questions.

Easy To Use

These questions will be presented to the attendees under the exhibiting company's individual listing on the virtual tradeshow. Exhibitors will receive attendee contact information along with their responses.

We look forward to seeing you on the 2020 Virtual Star of the North Meeting!

Qconnection Brand Inquiry

qConnection Brand Inquiry: Exhibitors participating in Virtual Tradeshow can add a "Brand Inquiry" tab to their exhibitor profiles allowing attendee engagement and interaction. Questions can be Yes or No or Multiple Choice. Exhibitors will receive attendee contact information along with their answers.

Package Includes: Includes up to 5 Yes or No question and up to 5 Multiple Choice Questions with 5 Allotted Answer Choices.
