Star of the North Meeting
AUGUST 12-14, 2021

138TH ANNUAL SCIENTIFIC SESSION

Virtual Opportunities at the 2021 Star of the North Hybrid Meeting

Below are virtual vendor opportunities at the meeting.

Add a Spotlight Video: \$225

Looking to put together more specific information focusing on your product(s) or company? Purchase the Spotlight Video add-on for attendees to view when they visit your booth. Videos can be 10-15 minutes in length and can be links to Youtube, Vimeo or a video file (avi, mov, wmv, mp4, mpeg). You choose the content!

Standard Virtual Booth (included with in-person booth): \$700

This option includes your company name, logo, and contact information for 1 representative. Attendees can live chat, view materials, and view a message from the exhibitor that is entered by you.

Message From Exhibitor: Come find out why A3i is the nation's #1 Concierge DME solution. With our wide array of services, including benefit verification, prior authorizations, coding inquiry, claim support and much more, we are your one stop shop to support your channel needs.

Exhibitor Description: A3i is a company dedicated to providing extensive support to market access, reimbursement, and patient outreach in the DME industry. With over 10 years experience serving a variety of device manufacturers, both large and small, and our knowledge of over 800 payers, we provide solutions that count. Come to our booth and find out why A3i is the #1 concierge DME solution provider in the US.
